# Public Access to OPD

## ◆ Appreciation to IP5 Offices' Efforts to Release Public Access to OPDs

- Since the last meeting of IP5 Heads of Office and IP5 Industry, EPO, SIPO, and KIPO have released Public Access to OPDs.
- According to users who have used released OPDs, the users felt that they are powerful tools to get patent information of IP5 Offices.
- We very much appreciate that IP5 offices have spent tremendous efforts to construct them, and agreed to release them to public.

## ◆ Continued User Participation to GDTF

- We believe that user's voices would make Global Dossier useful and powerful tool to all stakeholders.
- We are very much willing to provide IP5 Offices with user's views about Global Dossier.
- We highly request that continued user participation is accepted by the Heads of IP5 Offices.

**Thank you for your attention.**
