Five IP Offices & Industry Meeting in Corsica, France
June 5, 2012
I. Introduction
II. Organization
III. Activity
IV. Expectation for the Future
KINPA is a non governmental cooperative body founded in 2008. The goal is to improve the members’ IP competitiveness through collaborative activities with the member’s expertise and experiences.

**MISSION**

To Exploit “Synergy and Growth” through horizontal cooperation between members

1. To Contribute quick responses to Global IP issues
2. To Provide policy proposals and suggestions to the government (especially to KIPO)
3. To Co-research on the topics of IP issues
4. To Focus on the mid/long-term solution for IP issues
5. To Reinforce the IP Management of individual member companies
Membership and Organization

Any Korean company, regardless of size, which is willing to share its experiences and information in IP and participate in KINPA activities in a positive manner is eligible. (115 member companies)
