Creating IP Vision for the World
History and current situation

There are many PPH systems!

Bi-lateral PPH  PCT PPH  Mottainai  Global PPH  IP5 PPH

As of 1st of May, 2014
Problems and concerns

Part of complexity is eliminated, but....
Problems and concerns

- This is still complex …

- Requirements are different
Users view

- Consolidate PPHs.

- Unify PPH requirements.

- Harmonize practices.

- Anything else?
Creating IP Vision for the World

Thank you for your attention.
