June 4 2014

*Creating IP Vision for the World*

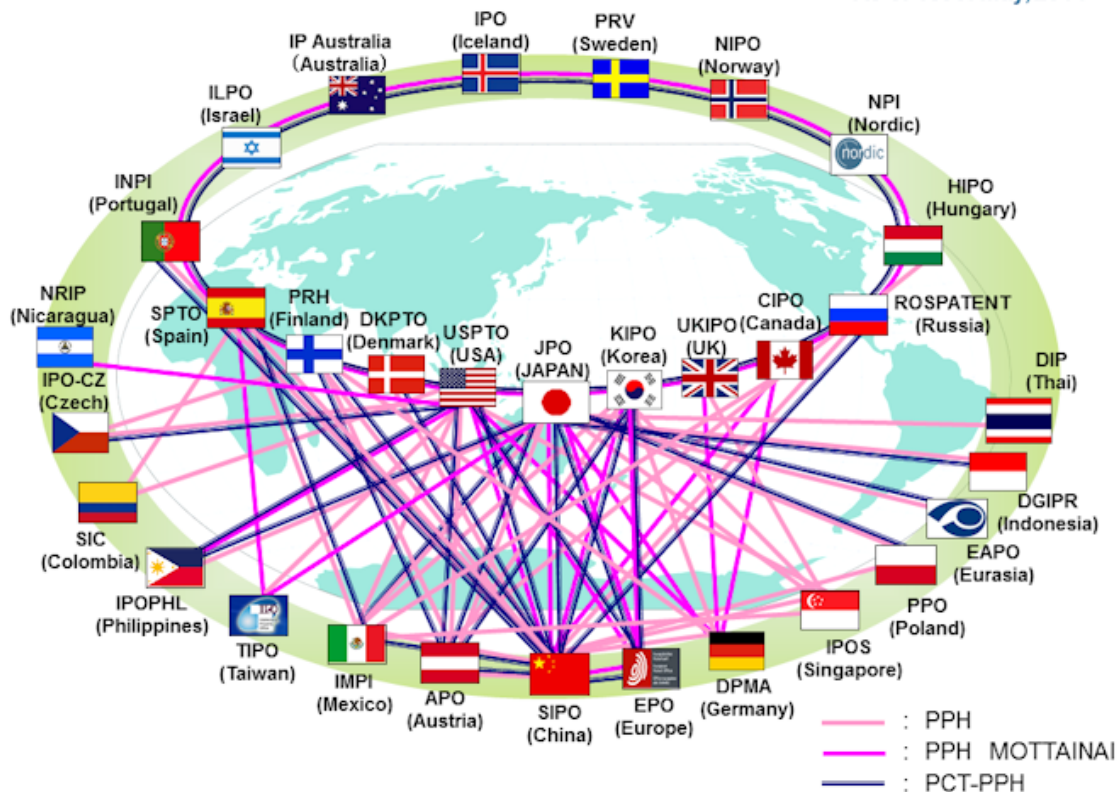

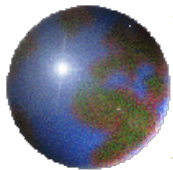

# History and current situation

## There are many PPH systems !

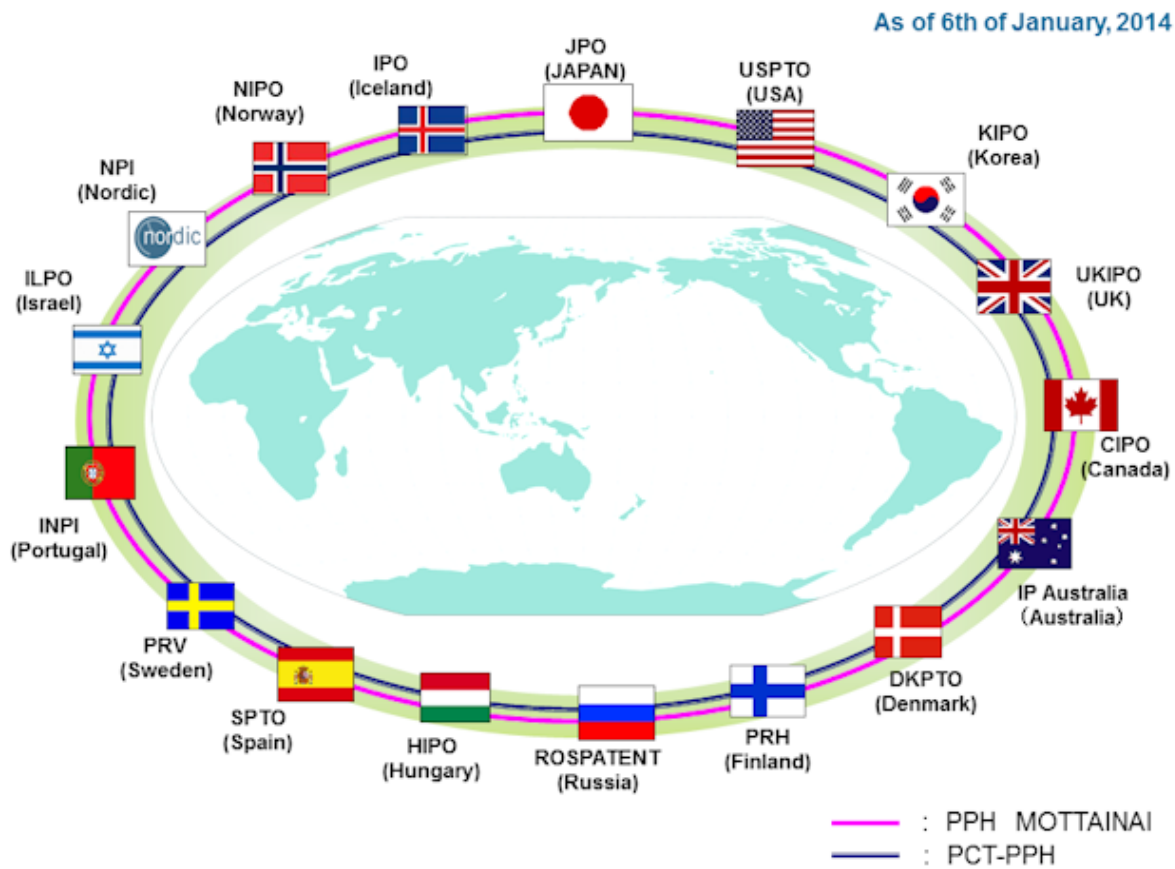

As of 1st of May, 2014

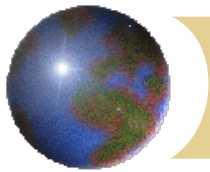

# Problems and concerns

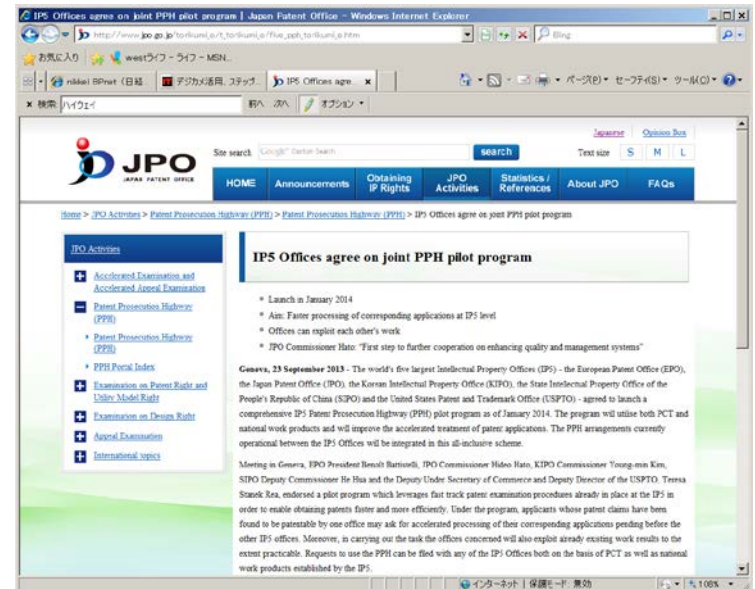

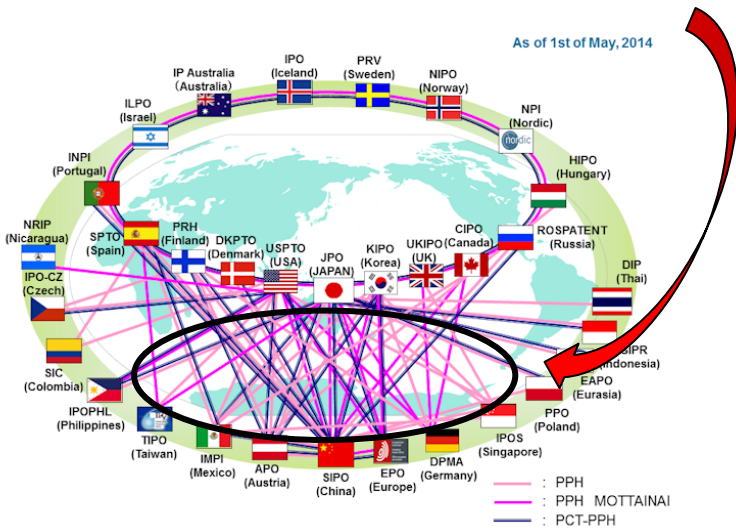

Part of complexity is eliminated, but....

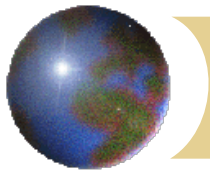

# Problems and concerns

- This is still complex ...

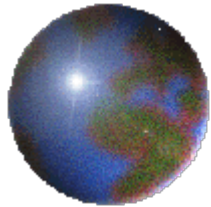

- Requirements are different

## Users view

- Consolidate PPHs.
- Unify PPH requirements.
- Harmonize practices.
- Anything else ?
