As of 1st of May, 2012:

- PCT-PPH
- PPH MOTTAINAI

25 IP offices participate PPH as 1st of May, 2012.

The cumulative number of PPH requests are about 17,000 as of the end of December, 2011.
4. Plurilateral PPH Meeting

4th working level meeting was held at Munich in Oct 2011.

What was discussed:

- The Offices agreed that the relaxation of the priority requirements via the MOTTAINAI concept seemed a promising step to the right direction.
- The Offices discussed future development of the framework also with a view to streamlining and harmonizing the existing PPH arrangements.
- The Offices agreed to establish a PPH Policy, which is a common recognition of PPH including the improvement of first action allowance rate, the transparency of data about PPH applications in each office, accelerated examination of PPH applications, search and examination policy of the office of later examination.

5th working level meeting will be held in Autumn.
In the light of the PPH scheme, the fundamental expectations for PPH are cited as follows;

- Predictable fast acquisition of patent rights (in view of applicants).

- Mitigation of workloads via work-sharing among patent offices (in view of patent offices)

**JPO suggest policies to be followed by PPH participating offices as PPH Policy**

Each office participating in PPH should endorse and realize the following policies at their maximum extent to promote transparency and effectiveness of PPH.
5. PPH Portal Website (1/2)

- JPO administers the **PPH Portal Website**, which provides the latest information regarding PPH, the guidelines and the request forms of different countries.

Provision of the latest information regarding PPH

Provision of the PPH guidelines and the request forms
