[Point #1] Improvement on GD family service

PROs
- Advantageous effect of favorable decision from 1\textsuperscript{st} P.O. on examination in 2\textsuperscript{nd} P.O.
- Consistent protection scope by virtue of improved examination quality
- Legal certainty in enforcing patent rights in terms of validity

CONs: Any?
[Point #2] Further expanding work-sharing with amendment of laws

**CONs**: Adverse effect of negative OA from 1st P.O. on examination in 2nd P.O.

**PROs**: Consistent protection scope by virtue of improved examination quality

**OBSERVATION**: Same benefit (PRO) can be achieved by alternative options (i.e. CSP or PPH), whereas disadvantage (CON) may occur without applicant’s consent.

Maximum family info. : Amendment of laws/rules required
