Presentation of PPAC

Tokyo, 1 June 2016
Position of PPAC

Bosom friend of company interests, reflector of company appeals, communicator of business experience, supporter of company rights maintenance, servant of business needs, propagator of intellectual property rights.
Main Activities

1. Reflecting company appeals in the activity of legislation.
2. Conduct special research on corporation IP work.
3. Provide professional service to enterprises.
4. Conduct international IP exchanges and cooperation.
Promoting IP5 cooperation

1. On behalf of Chinese industry, PPAC exchange views directly with IP5 Office Heads and WIPO Director General.

2. Expect new progresses to be achieved on enhancing communications, deepening cooperation, reflecting appeals and improving services through the IP5 cooperation platform.
Thank you!
